Press Release

Our attention has been drawn to certain remarks about India quoted in media, attributed to H. E. Mr. Kasit Piromya, Hon'ble Minister of Foreign Affairs of Thailand, in the context of recent clashes between Thailand and Cambodia. The Embassy, which has been in regular touch with the Government of Thailand, sought a clarification from the Ministry of Foreign Affairs of Thailand. H.E. the Foreign Minister conveyed to the Ambassador of India that the remarks were a result of insufficient information. He also expressed appreciation for the balanced and constructive position of India in this matter.

2. India has close and friendly ties with both Thailand and Cambodia. It urges both sides to show restraint, prevent any further clashes and settle their dispute peacefully through dialogue.
